

Garry and Wanda Sheaffer, Associate Pastor

Bio: Pastor Garry and Wanda serve as the Associate Pastors of MorningStar Family Church in Thurmont, Maryland starting in August 2015. They are originally from Gettysburg, Pennsylvania, where they met the Lord and one another at the Foursquare Gospel Church and married in 1970.

Together they possess a deep passion for the presence of God and to stir that same hunger in others. They flow in the gifts of the Holy Spirit and operate in Prophetic ministry to the church and to individuals. They carry an excitement and expectancy for the body of Christ to experience the fullness of the Holy Spirit which will usher in another great awakening in these latter days before Christ returns.

Pastor Garry and Wanda have served the Lord for over 45 years in youth ministry, teaching Sunday school, mentoring, leading intercessory prayer, and in all levels of Pastoral Ministry. They travel and minister in churches, speak at conferences, are the Directors of "Above and Beyond Ministries" and are available to speak and minister upon request.
